

NATIONAL MARITIME HISTORICAL SOCIETY
2016 Annual Awards Dinner
Wednesday, 26 October 2016, New York Yacht Club, NYC

Sponsorship Opportunities

The National Maritime Historical Society is honored to recognize two most esteemed recipients at its gala 2016 Annual Awards Dinner. NMHS is seeking Sponsorship support for this event from corporations, associations, individuals, and foundations.

- ❖ We will be presenting the NMHS Distinguished Service Award to **Charles Townsend**. As chairman of Condé Nast and commodore of the New York Yacht Club, Charles Townsend used his great knowledge and love of sailing, yachting and yacht racing to promote sailing and our maritime heritage. He has used his influence in publishing to promote the maritime field. He has also been a great supporter of the International Yacht Restoration School, which teaches boatbuilding skills to new generations. The National Maritime Historical Society is honored to recognize his support, dedication and leadership.
- ❖ The David A. O’Neil Sheet Anchor Award, given in recognition of extraordinary leadership in building the strength and outreach of the Society, will be presented to **Captain Cesare Sorio**. During his fifteen years at sea, Captain Sorio served on coastal cargo, sailing and motor yachts; tankers; and passenger ships. His experience ashore spans ship building, conversion, and repair; vessel acquisition; and marine operations. Captain Sorio’s knowledge and talent have been invaluable on the NMHS Executive Committee and as chairman of the Program Committee. Thanks to his leadership and outreach, we have a stronger and more influential Society.
- ❖ We will offer a tribute to the memory of **Peter Stanford**, founding president of the South Street Seaport Museum, president emeritus of the National Maritime Historical Society, longtime editor of *Sea History* magazine, and prolific author. His efforts contributed to the preservation of countless historic vessels and the establishment of such organizations as the American Society of Marine Artists and the Council of American Maritime Museums. We will honor his work and contribution over more than half a century to the field of maritime history.

George W. Carmany III, previous recipient of the NMHS Distinguished Service Award, will serve as the Dinner Chair, and **Richard T. du Moulin**, award-winning yachtsman, will be Master of Ceremonies. **The US Coast Guard Academy Cadet Chorale**, directed by **Dr. Robert Newton**, will provide the evening’s entertainment.

The National Maritime Historical Society is a not-for-profit membership organization whose mission is to raise awareness of maritime heritage and the role seafaring has played in shaping civilization. The Society seeks to educate society about extraordinary maritime accomplishments and their continuing relevance for prosperity and cultural vitality. The Society’s initiatives encompass publications, educational programs, sail training and preservation of historic ships. Net proceeds from the Dinner will benefit the work of the Society.
