

## 2017 NMHS Seminar Series Sponsorship Opportunities

Recently renamed the NMHS Seminar Series, the Charles Point Council was founded in 1992 under the auspices of the National Maritime Historical Society at its headquarters on Charles Point in Peekskill, New York. Its mission is to build greater awareness of the rich seafaring heritage of the Hudson Valley River Valley and the world at large, and to create a constituency to advocate for our maritime legacy.

Through its monthly lecture series and annual outreach events, the NMHS Seminar Series is actively engaged in promoting our maritime heritage, in providing valuable educational programs and in preserving historic ships. Since its inception, the Series has organized over 250 lectures, seminars, field trips and ship preservation projects featuring noted authors, historians and artists to publicize the maritime history of our area and abroad.
