2018 National Maritime Awards Dinner

Wednesday, April 25, 2018, Mayflower Hotel, Washington, DC

The National Maritime Historical Society, in association with the National Coast Guard Association, is honored to recognize three most esteemed recipients at its gala 2018 National Maritime Awards Dinner. NMHS is seeking Sponsorship support for this event from corporations, associations, individuals, and foundations. We gratefully acknowledge Fleet Sponsors **J. W. Marriott Jr.** and **Donald T. “Boysie” Bollinger** and Underwriter **Howard Slotnick** for their generous support.

- ❖ **J. W. Marriott Jr.** is executive chairman and chairman of the board of Marriott International, Inc. He served as CEO for 40 years, before stepping down in March 2012. He has built the company into a global business that today is comprised of more than 6,500 properties across 30 brands in 127 countries and territories, with approximately 675,000 people worldwide who wear the Marriott badge. Mr. Marriott served as a supply officer aboard the USS *Randolph* from 1954 to 1956, which he calls a great learning experience that helped launch his hospitality career. Marriott International has a “Spirit to Serve” philosophy, fostered by Mr. Marriott to provide extensive corporate support to America’s returning veterans. **Admiral Jonathan W. Greenert, USN (Ret.)**, immediate former Chief of Naval Operations, will present the award.
- ❖ **William C. Baker** is the president and CEO of the Chesapeake Bay Foundation, the largest nonprofit conservation organization dedicated solely to preserving and restoring the Chesapeake Bay. With over 200,000 members, the Chesapeake Bay Foundation is a fierce advocate working to protect and restore a national treasure and integral part of America’s maritime heritage through advocacy, education, litigation and restoration. Mr. Baker is focused on one goal—“Saving the Bay,” and achieving a clean, healthy and productive estuarine system that will be a model for water bodies worldwide. The director of many organizations, Mr. Baker holds honorary doctorates from several universities and is the recipient of the 1992 Presidential Medal for Environmental Excellence, the nation’s highest environmental honor. He will be presented with the NMHS Distinguished Service Award by **Senator Ben Cardin** of Maryland.
- ❖ **Donald T. “Boysie” Bollinger** will receive the National Coast Guard Museum Association’s Alexander Hamilton Award. After a lifetime of providing quality construction of vessels for both military and civilian use, Mr. Bollinger has continued to be recognized for his generosity and philanthropic giving. His influence and dedication have benefited many organizations, most especially the United States Coast Guard Foundation and National World War II Museum. For his unwavering support, the National Coast Guard Museum Association is honored to recognize this icon within the maritime industry. Former United States Secretary of Homeland Security and Governor of Pennsylvania **Tom Ridge** will present the award to Boysie Bollinger.

Gary Jobson, America’s Cup winner and America’s “Ambassador of Sailing,” will be the Master of Ceremonies. Video introductions of the recipients will be produced by **Rick Lopes**.

Entertainment will be provided by the **Mariners Chorus of the United States Merchant Marine Academy**, directed by **Dr. Katherine Meloan**.
