

# ADVANCED HEARING AID TECHNOLOGY

## For Less Than \$200

*"I was amazed! Sounds I hadn't heard in years came back to me!"*

— Don W., Shermer, TX

**How can a hearing aid that costs less than \$200 be every bit as good as one that sells for \$3,000 or more?**

**The answer:**

Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. **Until now...**

The **MDHearingAid PRO**® uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.

Over 250,000 satisfied customers agree: High quality FDA registered hearing aids don't have to cost a fortune.

The fact is, you don't need to spend thousands for a medical-grade hearing aid. **MDHearingAid PRO**® gives you a sophisticated high-performance hearing aid that works right out of the box with no time-consuming "adjustment" appointments. You can contact a hearing specialist conveniently on-line or by phone—even after sale at no cost. No other company provides such extensive support.

**Now that you know... why pay more?**

**MDHearingAid**®   
DOCTOR DESIGNED | AUDIOLOGIST TESTED | FDA REGISTERED

Nearly Invisible
